About Estate & Gift Planning

On the **Estate & Gift Planning Team**, we celebrate our calling to invite donors to leave a lasting Kingdom legacy through the ministry of generosity.

Part of our ministry work is to raise sustained support for the **National Strategic Staff Fund**. This fund helps InterVarsity hire highly skilled staff ministers who belong to some of the least-engaged ethnic communities on campus and whose limited networks would otherwise prevent them from ministering on campus. A portion of undesignated estate gifts support the National Strategic Staff Fund.
